#### GREAT STORM SWEEPS OVER SOUTHERN EUROPE:

Morocco, Portugal, Spain and France Deluged, and Much Distress Caused. -

PARIS. Oct. 16.-The whole of Southern Europe is in the grasp of a tre-mendous storm, accompanied by torrential rain. This, coming on the hoele of the unprecedented rainfalls and succession of floods of the past three weeks, is causing great distress.

TO SAVE MAIL BAG

TO SAVE MAIL BAG

The storm area extends from Morocco northward, over Portugal, Spain and Southern France.

Waships of the African coast and the Spanish Peninsian have been obliged to seek shelter. The French torpedo gunboat Casain lost her propeller while making port during the sale.

The recently flooded rivers in the Southof France are again rising and thany houses, weakened by the preious inundations, are falling.

In the Department of Savole a great overhanging cliff of 800,000 cubic metres is reported to be moving and in imminent danger of toppling over and crushing the village of Tormery, 1,000 feet below.
